Bulloch County Schools
2018-2019 School Calendar (List View)

Bulloch County Schools has identified four potential make-up days in the 2018-2019 school calendar: December 20, December 21, April 1 and April 2.

- These days could be activated as school days if a weather or emergency event disrupts school.
- The days will not be used automatically. After an event, the superintendent will decide whether or not to activate one or more of the make-up days.
- Identifying the potential days in the calendar is a courtesy so parents and employees can plan accordingly.
- Make-up days were purposefully selected to be days near the end of each semester. We would risk closure events occurring after a potential make up day if we tried to schedule the days earlier in each semester.
